DEAR _____

1. WELCOME REMARKS

I would like to congratulate you for passing your Grade 7 exams and enrolling to learn at Pamushana High. A very big welcome to Pamushana! You should definitely count yourself as one of the lucky ones to get this rare opportunity to learn at one of the best institutions in the country. We endeavour to give you the best of academic, sport, arts, cultural and spiritual education.

2. BRIEF SCHOOL BACKGROUND

Pamushana High School is an institution of the Reformed Church in Zimbabwe (RCZ) established in 1901. It therefore subscribes to the Reformed Church Christian faith, beliefs and doctrine.

As a Mission boarding school, the school endeavours to produce a complete, whole child who should be a pride of the Zimbabwean society. Such a child should be moulded intellectually, physically and morally under a strong Christian background and environment. Such students should have unhu: great respect for self, others, work, the environment and all God's creation.

Whilst school employees are available to assist our students with cleaning of their hostels, classrooms and the general school campus, the school culture is that students themselves must clean these facilities first and be moulded to be responsible citizens who respect the dignity of labour. So all our students do general work at this institution, save for those with medical conditions that incapacitate them in which case a doctor's letter should be produced to that effect and the school needs it for filing.

As a Christian institution, as alluded to above, we hold short church services or devotions every Monday before we start school and go to church every Sunday. Periodically, we also have spiritual revival sessions where gifted powerful preachers are invited for the benefit of all learners.
